HEAVY DUTY DEGREASER CONCENTRATE

PRODUCT DESCRIPTION:

This product is designed to be used as a hot water degreasing cleaner. It is formulated with the finest of penetrating detergents, builders and chelates on the market today. This product can quickly penetrate, emulsify, and remove even the most tenacious soils. It is intended for cleaning and degreasing such things as engines, off road equipment, running gear, greasy floors & walls, hauling equipment, machinery, etc. Contains corrosion inhibitors.

DIRECTIONS:

For cleaning floors and walls start with dilutions of 1:60 (stronger or weaker solutions may be desired). For use in hot pressure washer, use onto the surface at the rate of 1 part to 50 parts water. When cleaning with pressure washers, always apply cleaning solutions from the bottom up and rinse from the top down. **Never allow chemicals solutions to dry on any surface or streaking will occur.** Do not use on good paint; damage could occur. When using this product as a spray cleaner (pre-spray) dilute with 4 to 20 parts water depending on amount and type of soil build-up. ALWAYS RINSE THOROUGHLY WITH POTABLE WATER.

CAUTION:

Do not allow to freeze. Do not store at temperatures above 120 F. Keep out of the reach of children. Do not use on aluminum surfaces. Do not allow solutions of this product to dry on painted surfaces. Always rinse thoroughly. **Use eye, face, hand protection, rubber boots, and apron when handling.**

EMERGENCY FIRST AID:

EYES- rinses 15 minutes with sterilized water, if symptoms persist, seek medical attention. **SKIN-** rinses 15 minutes with sterilized water, if symptoms persist, seek medical attention. **INGESTION-** give victim large amounts of water while seeking immediate medical attention. **INHALATION-** remove victim to source of fresh air, if symptoms persist, seek medical attention.
