

Karcher Hose Reels! 1 - 2023

Karcher hose reels are designed for ease of use and durability in commercial pressure washer applications. Offering 100' and 200' reels in both fixed and rotating bases. The unique extended swivel improves the hose connection and reduces hose wear and stress.

Part Number	Style	Hose Length	Inlet	Outlet	PSI	Temp	Price
8750-6820	Fixed Base	100' plus	3/8"	3/8"	5,000	325° F	\$405.00
8750-6830	Fixed Base	200' plus	3/8"	3/8"	5,000	325° F	\$440.00
8750-6850	Pivot Base	100' plus	3/8"	3/8"	5,000	325° F	\$516.00
8750-6840	Pivot Base	200' plus	3/8"	3/8"	5,000	325° F	\$595.00

Rugged heavy-duty construction for commercial applications

- **Heavy gauge steel fabrication • Gloss black powder coating**
- Easy to use break mechanism reduces unwinding backlash
- Heavy-duty locking mechanism prevents slippage during reel operation

“Flip-Over” hose guide: Allows ease of use from either side of the reel.

Over-sized: Easily fits the advertised length of hose. When we say 100', we mean 100' + feet will easily fit!

New swivel design: The reels come with an extended swivel which prevents bends and stress on the hose where it attaches to the reel. Swivels carry a two year warranty. Durable handle.

Rotary mount: 360 degree rotation with an oversized heavy-duty locking mechanism. Allows for continual alignment with the hose.

Fully assembled: Ready to use out of the box, saves you time and money.
