## ***Rugged heavy-duty construction for commercial applications***

- **Heavy gauge steel fabrication • Gloss black powder coating**
- Easy to use break mechanism reduces unwinding backlash
- Heavy-duty locking mechanism prevents slippage during reel operation

**"Flip-Over" hose guide:** Allows ease of use from either side of the reel.

**Over-sized:** Easily fits the advertised length of hose. When we say 100', we mean 100' + feet will easily fit!

**New swivel design:** The reels come with an extended swivel which prevents bends and stress on the hose where it attaches to the reel. Swivels carry a two-year warranty. Durable handle.

**Rotary mount:** 360-degree rotation with an oversized heavy-duty locking mechanism. Allows for continual alignment with the hose.

**Fully assembled:** Ready to use out of the box, saves you time and money.
